Under current law, state aid to independent charter schools is funded by a reduction in general school aid, applied on a prorated basis to all school districts. Current law provides that beginning with ~~the~~ 2011-12 school year, instead of reducing general school aid by the amount of charter school aid paid in the <sup>same</sup> school year, general school aid will be reduced by the amount of charter school aid paid in the 2010-11 school year.

This bill eliminates this cap on ~~the~~ <sup>charter school aid</sup> the reduction in general school aid described above.
